

**DESIGNED TO OFFER UNMATCHED FLEXIBILITY AND SAFETY WITHOUT THE BURDEN OF OWNERSHIP**

With UniTech's innovative pay-per-use model, you can access both single-use and reusable protective garments. Whether you opt for single-use garments or eco-friendly reusable options for cost-efficiency and sustainability, you always have the right protections when you need it. Choose the mix of items that meets your needs.

## **PROTECH (REUSABLE):**

ProTech is the industry standard in launderable radiological protective apparel.

Cost Effective | Strong Static Resistant Fabric |  
Designed to Reduce Heat Stress | Water  
Resistant | Color Coded Sizing | Non-Metallic

## **SOFTTECH HD (SINGLE-USE):**

SoftTech HD is a cost-effective primary or sacrificial outer garment when double PC's are required.

Breathable Comfort | Water-Repellent |  
Durable | Color Coded Sizing | Non-Metallic

## **DRYGUARD PLUS (SINGLE-USE):**

DryGuard Plus offers superior protection from wet contaminants as well as sweat-through in high-heat environments.

Full Coverage | Durable | Waterproof |  
Color Coded Sizing | Non-Metallic

## **ACCESSORIES:**

UniTech offers a complete line of reusable and single-use head, hand, and footwear to complement any of the selections above.

**PROTECTING YOUR TEAM AND THE ENVIRONMENT HAS NEVER BEEN THIS CONVENIENT. DISCOVER THE FUTURE OF RADIOLOGICAL PROTECTIVE CLOTHING WITH UNITECH TODAY!**
