

**Park Nuclear**  
POWER GENERATION SOLUTIONS

## Park Nuclear — Powering the Future with Proven Solutions

For over 30 years, **Park Nuclear** has been a trusted partner to the nuclear industry, providing unmatched expertise in sourcing, engineering, and delivering critical components.

✓ **350,000 Electrical, I&C, and Mechanical Parts**

Extensive inventory to keep your plant running

✓ **Largest ASME & Safety-Related Valve Inventory**

In-Stock, Ready to ship

✓ **Obsolescence Solutions & Reverse Engineering**

Breathing new life into legacy systems

✓ **SPARES Program**

Sustainable Parts and Reliable Equipment Solutions, aligned with IER 21-4

✓ **New Owner of the 53MC5000 Product Line**

Full support coming soon for high-resolution displays and controllers
