

CONGRATULATIONS

Kate
Kelly

**Congratulations to Kate Kelly on being named to
Nuclear News 40 under 40!**

For nearly 14 years, Kate has been instrumental in BWXT's ability to deliver advanced reactors and cutting-edge space technologies to our customers. As the new president of Advanced Technologies, she is poised to lead BWXT into the next era of innovative nuclear solutions.

On behalf of our nearly 10,000 employees around the globe, congratulations Kate!
