

NASEO, GAIN & INL's Nuclear First Mover Initiative

Ensuring Energy Security

The **National Association of State Energy Officials** (NASEO) and the **U.S. Department of Energy's (DOE) Gateway for Accelerated Innovation in Nuclear** (GAIN) launched the **Advanced Nuclear First Movers Initiative**. Directed by state energy offices, it is led by co-chairs New York, Indiana, Kentucky, Tennessee, and Wyoming, with participation from Louisiana, Maryland, Pennsylvania, Utah, Virginia, and West Virginia.
