MiNES

MATERIALS IN NUCLEAR ENERGY SYSTEMS

October 6-10, 2019 | Hilton Baltimore | Baltimore, MD

All aboard! Network on the USS Constellation

Make plans today to attend the inaugural 2019 Materials in Nuclear Energy Systems (MiNES) Conference and you'll have the opportunity to meet up with colleagues aboard the USS Constellation in Baltimore's Inner Harbor.

The reception is one of several opportunities to meet others in the industry during the MiNES Conference, aside from the full schedule of sessions taking place October 6-10 in Baltimore.

Register and learn more at
mines.ans.org.

USS Constellation Reception

Join fellow attendees for a unique reception on Wednesday, October 9, on the last Civil War vessel afloat, the USS Constellation. Now permanently docked in Baltimore City's iconic Inner Harbor, the ship provides spectacular views of Baltimore's historic waterfront.
