

CORRIGENDA

M. D. MATHEW, S. LATHA, G. SASIKALA, S. L. MANNAN, and P. RODRIGUEZ, "Creep Properties of Three Heats of Type 316 Stainless Steel for Elevated Temperature Nuclear Applications," *Nucl. Technol.*, **81**, 114 (1988).

This paper was inadvertently labeled "Technical Note," while it was in fact a full technical paper.

In the same issue, in the biography on p. 5, P. Rodriguez received his BE in metallurgy from the Indian Institute of Science, Bangalore, India, in 1960, and his MS from the University of Tennessee in 1965.
