

Correction

Article title: Design and Analysis of an Integrated Additively Manufactured Test Article for Plasma-Facing Components

Authors: A. Bhat, M. DeVinney, T. K. Gray, and C. S. Wiggins

Journal: *Fusion Science and Technology*

DOI: <https://doi.org/10.1080/15361055.2025.2476850>

A character was originally omitted in an equation in the appendix of this article. The corrected equation has been included below and corrected in the published article.

$$Q = \dot{m}C_p\Delta T, \text{ where } \dot{m} = \text{mass flow rate}$$
